

FISCAL NOTE

HB 2181 - SB 2299

March 23, 2007

SUMMARY OF BILL: Reduces the non-resident license fee by 50% for lineal ancestors, descendants or spouses of persons with a lifetime sportsman license.

ESTIMATED FISCAL IMPACT:

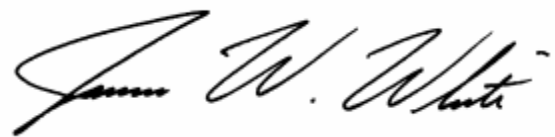

Decrease State Revenues - \$413,000/Wildlife Fund

Assumptions:

- 6,189 individuals will receive a reduced rate license.
- 45% (2,785) of those receiving the reduced rate license will purchase three-day non-resident fishing licenses which, in the absence of this bill, would result in revenues of \$91,910.
- 45% (2,785) of those receiving the reduced rate license will purchase seven-day hunting licenses which, in the absence of this bill, would result in revenues of \$487,400.
- 10% of those receiving the reduced rate license will purchase a trapping license which, in the absence of this bill, would result in revenues of \$247,568.
- The total decrease in state revenues to the wildlife fund is calculated as:
 $(\$91,910 + \$487,400 + \$247,568) / 2 = \$413,439$

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
